You've read the headlines and are probably anticipating a rush of business owners looking to sell before 6th April 2008.....but what do the recently announced changes to the capital gains tax ("CGT") rules mean for you and your clients?

Friend LLP are pleased to invite you to one of a series of seminars providing an update on the new CGT rules:

- What are the changes?
- How much CGT will now be paid?
- Should owners sell now?
- What is the best structure in a transaction? Cash, equity, loan notes?
- How can one defer or mitigate the tax?

The seminar will be held at our offices hosted by our tax and corporate finance experts, followed by a Q&A. This will be a good opportunity to understand the changes and allow you to speak to your clients about their options.

Please fax back this confirmation, details are below.

We look forward to seeing you on the 23rd October. Thank you
